About Wondra

The Spark of Cleanliness, the Burst of Innovation

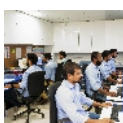

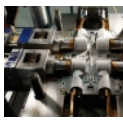

At WONDRA, we believe cleaning should be simple and satisfying. Our cleaning gears are designed to bring innovation, ease, and reliability to cleaning routine

The latest innovation in cleaning solutions from the house of OM GALAXY LTD. Backed by the vision and leadership of Mr. Opinder Singh Badhan.

WONDRA embodies a commitment to excellence, setting new standards in household care.

With a focus on durability, efficiency, and design, WONDRA aims to transform daily cleaning into an effortless and enjoyable experience. We're thrilled to bring you a brand that combines the trust of OM GALAXY LTD. with the power of cutting-edge technology.

About Om Galaxy Ltd.

OM GALAXY LTD., an ISO 9001-2008 certified company, began in 1986 in Mumbai. With over 30 years of experience, they specialize in manufacturing plastic pipe fitting and automobile moulds with high precision and cost-effectiveness.

With a 100,000 sq.ft. facility in Vasai, we produce customer-specified products and meet delivery schedules.

We continuously improve the quality management system and use high-end software like AUTOCAD and SIEMENS NX-UG1 to ensure superior final products.

We also have multiple injection moulding machine varying from 80 ton to 950 ton for mould testing and production runs.

SS MOP ROD SET

360° Rotating Mop Head
Reaches every corner with ease

Experience effortless cleaning with a 360-degree rotating mop head that easily reaches under furniture, into corners, and along tight edges – making mopping faster and more efficient.

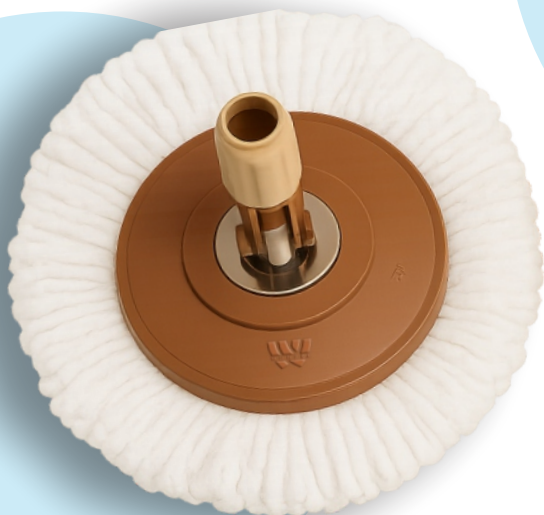

Customize the mop to your comfort! The adjustable handle ensures that people of all heights can clean comfortably, reducing strain on your back and wrists.

Smart dual-function handle lets you lock the mop for scrubbing and unlock for spinning. This secure grip system keeps the mop head steady when needed and flexible when wringing.

Designed with superior microfiber and a sturdy base, the mop head grips the floor perfectly – lifting dirt, grime, and even tough stains with minimal effort.
